

This application uses numeracy skills from the following skills units:

- **Number A**
- **Calculation A**
- **Calculation B**
- **Calculator Use A**

In one week you work:

- 39 ordinary hours,
- 5 hours on time-and-a-half for Saturday work and
- 3 hours at double time for working on Sunday.

\$182.80 tax is deducted from your pay for this week.

1 *On the pay slip below, fill in the details for this week's pay:*

Type of hours worked	No. of hours worked	Pay rate	Pay for hours worked
Ordinary	_____	\$10.65	_____
Overtime at time-and-a-half	_____	\$_____	_____
Overtime at double time	_____	\$_____	_____
Total	_____		
		Gross Pay:	_____
		Tax Deductions:	_____
		Net Pay:	_____

2 *What percentage tax did you pay this week (to the nearest whole percent)?*
